

MONTANA DEPARTMENT OF NATURAL RESOURCES & CONSERVATION COUNTY SEPTIC TANK GRANT APPLICATION

The septic tank grant and loan program is in place to support counties in creating a revolving loan program that will assist individuals with updating their septic tanks. Two \$50,000 grants for counties are available for projects that meet the following criteria:

- The county has to match the awarded amount for \$50,000;
- The individual project that the county will assist in funding is recommended or required by a government entity such as a county sanitarian, city, or state agency;
- The loan applicant is not a government entity
- The proposed projects should be completed within 1 year of the award date.

FUNDING REQUIREMENTS

Septic Tank grants are available to two counties in them amount of \$50,000 each.

The county will decide how many and how much the loans will be to each private individual.

Reimbursement provisions are up to individual counties, but it is recommended that the loan is added to the homeowners' tax bill in the form of a lien. No administrative costs may be used for this grant.
